Student's Satisfaction Survey and Feedback Report

Academic Year 2016 – 2017

The college conducted a survey and feedback from the B.Ed. students of the batch 2016-2017. The questionnaire was in the form of Google forms and the items consisted of the student's opinion about the way the various activities were conducted in the College for the year 2016-2017 and about the college's staff.

All the students were given two questionnaires i.e., Student Satisfaction Survey and College Feedback. The Student Satisfaction Survey consisted of 28 items close ended items and the college feedback consisted of 5 close ended and 1 open ended item. Their experiences were taken to help the college plan out the activities for the next academic year.

The B.Ed. students from filled and submitted the questionnaires online. Given below is the report based on this feedback.

- * Majority of the students were totally satisfied with the completion of the syllabus and the with the classroom interactions during the academic year. Most of them were totally satisfied with the use of ICT tools by the teachers during the classroom interactions.
- * They were very satisfied with the lesson orientations and demonstrations given by the teaching staff regarding different types of lessons.
- * Most of the students were totally satisfied with the internal assessment and the guidance given by the teaching staff. They were very satisfied with the encouragement they got from the teaching faculty to participate in extra-curricular activities.
- * A vast majority were totally satisfied with the opportunities they got to participate in various activities beyond the classroom. They were also very satisfied with the different programmes and lecture series that were conducted for overall personality development.
- * Majority of the B.Ed. students were very satisfied with the internship and practice lessons programme and felt that the different lessons helped them develop different teaching skills.

- * Many of the B.Ed. students were satisfied with the books and resources available from the library.
- * All the B.Ed. student were totally satisfied with the behaviour of the Principal. They were satisfied with their interactions with the non-teaching staff.
- * Many of them enjoyed the annual social activities and around 50% found the course BED 209 'Understanding of Self' very useful.
- * Largely, more than 60% of the students were totally satisfied and the rest 40% were satisfied with the overall learning environment of the institution.
- * **Some suggestions were given to improve the facilities in the college. They were as follows:**
 - * More internship lessons to be included in the session
 - * New courses for Masters must be implemented.
 - * The present seating capacity at the Library Hall is good. But if it can increase to higher seating capacity then I believe there will be many avid readers.
 - * Some sessions on remedial teaching, question and answer making from given content should be organized.
 - * The library timing should be extended to 5.30 PM.
Photocopy facility and a small computer lab for students who don't have access to multimedia, laptops should be made available for preparing PPT presentations and assignments.
 - * The multi- tasking should be given training in communication, interpersonal skills so that they can behave politely with faculty members and students.
